Home Stretch Workshop Registration Instructions

Congratulations! You have taken the first step toward successful home ownership. The *Home Stretch Workshop* guides prospective home buyers through the entire home buying process and provides vital information to help participants avoid costly mistakes. Your completion of the *Home Stretch Workshop* can also help you access special lending products that make buying a home more affordable.

CAPSH offers *Home Stretch* in two formats and multiple locations to accommodate the needs and schedules of its customers.

We strongly recommend choosing a multi-session workshop unless you have a pressing need to quickly complete the course (e.g. imminent closing date), or are from out-of-town. Most one-day participants tell us that there is too much information presented to be absorbed in such a short period of time.

Instructions:

- 1. Choose your preferred workshop:** The workshop schedule is on the back of this sheet. Place an "X" next to your preferred workshop.
- 2. Complete the enclosed *Home Stretch Workshop Registration*.**
- 3. Determine your fee based on your chosen workshop (FEES ARE NON-REFUNDABLE)**
 - Multi-session *Home Stretch*: \$40.00/household (up to two adults)
 - Single-session *Home Stretch*: \$50.00/household (up to two adults)
- 4. Return: 1) this form; 2) the registration form; 3) the *Your Privacy Rights notice*; 4) the white copy of the *Disclosure Statement*; 5) a check or money order for the appropriate amount (DO NOT SEND CASH).**
 - Make checks payable to: **Community Action Partnership of Suburban Hennepin (CAPSH)**
 - A confirmation email will be sent to you.

If you receive this packet less than one week prior to your preferred workshop, call (952) 933-1993 for availability.

Registration fees are non-refundable
